

## **North Hampton Heritage Commission Minutes –November 24, 2000**

The meeting was opened by Jenifer Landman, Chair, at 10 am. Also present were: Jane Meneghin, Anna Pike, Priscilla Leavitt, Jane Palmer, and Pamela Schwotzer. Janice Mellian and Jane Kent Rockwell joined the meeting about 11:15am.

Minutes for November 16<sup>th</sup> were read and approved.

The introduction to the brochure written by the Historical Society was handed in. We also need a short one for the North Hill area, and may be able to extract the information from this basic introduction.

We need to add “North” to all maps per the Preservation Alliance, and list all contributors that fund the Alliance, and include the logo for the Alliance on our brochures as well.

FYI: (a) Seacoast Heritage Trail is looking for volunteers; (b) The Library Trustees have written to the Selectmen re beginning to plan for combined expansion of the library and Town Offices, and suggested using the old library as an historical museum; (c) NH Office of State Planning is looking for input on Community Cornerstones at: <http://sudoc.nhsl.lib.nh.us/cornerstones/> . Cast your votes for North Hampton.

Our final report is due December 15, 2000, an extension of 2 weeks. We can ask at the same time for the remaining grant funds. Draft copies of the report were handed out for review of wording.

A discussion was held re the additional cost of putting a foldout map with the brochure. Unless Little Boar’s Head Heritage Commission wishes to donate the difference, it seems too expensive. A motion was made to accept the brochure as currently designed, without the foldout map. The motion passed.

We need to nail down final printing costs so we can pay one-half before submitting the final report. We have \$5750 in the bank or pledged. We’ve spent \$800 to date.

Various items re brochure: The cover is not too busy. We’d like to put in a photo of the fish houses and gardens instead of Fuller Gardens. A motion to print a price of \$2.00 on the cover passed. (We can elect not to charge the money at any given time.) Lisa Mausolf may add architectural information. The Alliance is also reviewing the text.

Be sure to give any additions to the timesheets to Jenifer.

The meeting was adjourned at 12 noon.

Respectfully submitted,  
Pam Schwotzer
